

Creating **Consumer Experience**  
with the right mix of

**Art &  
Science**

Funtrition® is a leading provider of contract manufacturing services in **advanced gummy technologies** for the global nutraceutical industry. **Inspired by the beauty of art** and **driven by the power of science**, each of our creations is designed to offer the most elevated sensorial experience and the highest quality standards.

## Why Funtrition?

Extended **manufacturing** and **development capabilities** through our different facilities, strategically located in **Colombia and USA**.

Improved formulation development in innovative flavors and textures with **300+ gummy formulations** developed and **50+ new gummy launches every year**.

**Key partners** in portfolio renovation, delivering a breadth of gummy technologies to our consumers an exceptional experience.

**Quality system** based on industry-leading regulatory expertise with more than **6 certifications**.

A stylized illustration of a purple gummy candy with a hole in the center, surrounded by thin, flowing purple lines that suggest movement or a liquid-like texture.

With **20+ years of experience**, we're leaders in the development and manufacturing of nutraceutical products.

Tasty Innovation is our way of transforming supplements into experiences. By blending the precision of **science with the creativity of art**, we craft **gummy technologies that go beyond function to deliver flavor, texture, and delight in every bite**. With Tasty Innovation, we redefine what supplements can be: effective, enjoyable, and unique.

Pectin Gummies Technology

**A juicy, fruity bite that's soft, fun, and veggie-friendly.**

Flavor that pops, texture you'll love!

With Lutein, Zeaxanthin & Bilberry to support **healthy vision** and protect from blue light.

**Apple  
Flavor**
