Overall Well-being

We are  
**Art&Science**

## We are **Funtrition®**

As a leading provider of contract manufacturing and development services in advanced gummy technologies for the global nutraceutical industry, we are your **ideal partner in new product development and portfolio renovation**. From initial brainstorming to ultimate product packaging, we're focused on empowering brands to drive product innovation and get to market efficiently with outstanding top-notch customized delicious products.

## We are **Art & Science**

Inspired by the beauty of art and driven by the power of science, each of our creations are designed to offer the most elevated sensorial experience and the highest quality standards.

## Learn what's cooking at our ***Inspiration Center***

Our Inspiration Center is an entire wing dedicated to catalyzing creativity in all things gummy. From concept and branding to flavor and formulation, our IC is always taking inspiration from what's trending in terms of consumers' needs, ingredients, lifestyles and converting it into great product ideas.

## **Nurturing Women** at all life stages

Each of our formulations are developed with top-of-the-line ingredients addressing concerns such as beauty, bone and vaginal health, as well as overall well-being. All of these ideas are completely customizable to fit your brand and your consumers' needs.

# Driven Women

A complete multivitamin formula with Biotin for luscious hair and strong nails, **Folic Acid** that may **help reduce the risk of heart disease** and **Vitamin E**, an important nutrient **for vision, reproduction, blood, brain and skin.**

Powered by

# Complexion Perfection

Having healthy **hair, skin and nails** is always a good thing. Our Collagen gummies offer the perfect support and flavor, making you feel beautiful inside and out.

Powered by

# Womenly Harmony

---

It is no secret that **vaginal health** is essential for a woman's overall health and harmony. Our Probiotic gummies help maintain the balance of good and bad bacteria in the vagina, helping **prevent and treat yeast infections, bacterial vaginosis**, and other **vaginitis**.

**New  
Technology**

## Flower Power

It is said that a women's strength comes from within, but when complemented with **Vitamin D and Calcium** to help maintain adequate **bone and muscle health**, that strength turns into unstoppable power.

**Featuring our  
new technology**

A delicious inflated texture resulting in a bouncy powerful gummy.

## Redefining Kids Nutrition

As cute as they are, kids can be a really demanding audience when it comes to the products they consume.

Therefore, it has become crucial for companies to explore new formats that are more and more convenient, nutritious and fun. Introducing Kiddos, a perfect **Kids Supplement line with diverse product ideas for their different needs.**

Kiddos

# Multi-Fun

Our Kiddos deserve to feel invincible when they start their day! That is why our Multi-Fun helps **increase childrens' nutrient consumption** with **more than 10 vitamins and minerals**, to promote overall health.

Powered by

The image features a clear plastic bottle of Kiddos Lights Out gummies. The bottle is tilted, and a vibrant pink liquid is splashing out from the top, creating a dynamic and playful scene. Several gummies are shown floating in the splash. The bottle's label is white with a blue border and contains the following text: 'Kiddos' in large, colorful letters (K is red, i is yellow, d is blue, d is green, o is red, s is blue), 'Lights Out' in a blue oval, 'Gummies with magnesium, L-theanine and chamomile to support a good night sleep' in small black text, a strawberry and watermelon icon with the text 'Strawberry and Watermelon Flavor', and the 'pec-g' logo with 'Pectin Gummies' underneath. The background is a solid light blue.

Kiddos

# Lights Out

A great **bedtime routine** leads to a great good night's sleep. Our **Light's Out gummies** with **Magnesium** and **Chamomile** are the perfect complement to make their dreams sweeter than ever.
